## Little Sister

As soon as Max closed the door, she felt someone grab her, slamming her head into the wall. Dazed, she was helpless as she was carried to Billy's room, thrown roughly on his bed. She felt her clothes being removed, weakly resisting as best as she could.

"I think it's time for a little revenge, *Maxine* ." Billy said, before wrapping his large hands around her throat, cutting off her airflow. Max struggled, hitting him as best as she could, but he was too strong, and continued to choke her into near unconsciousness. Just before blackness enveloped her entire being, he stopped, letting her breathe somewhat.

She whimpered when he roughly grabbed her breasts, pinching and twerking her erect nipples. She didn't want her body to respond like this, she didn't want this! Eventually he stopped, moving to plunge his fingers into her wet pussy, causing her to scream out in pain and pleasure, her extremely tight cunt stretching to try and fit his fingers. She came suddenly, and when it was over, Billy took his fingers out, forcing them into her open mouth. She sucked on them automatically, mind being fogged by pain and pleasure.

Billy left suddenly, and Max was too weak to try and escape, left scared and wondering what he had in store for her next. He returned with a box, closing and locking the door behind him. Setting the box down on the floor, he pulled out a ball gag, forcing it into her mouth. Next, he tied her wrists to the headboard, and her ankles to the bottom of the bed, now she was spread eagle on the mattress.

When he pulled out clamps, her eyes widened in fear, desperately shaking her head, silently pleading for him not to do it. Billy looked

right at her, smiling sadistically, before attaching them to her nipples. Max cried, begging for someone, anyone, to come and save her. Attaching the other ends of the clamps to a battery, he turned it on without hesitation.

“MMMM!” Her screams were muffled by the ball gag, tears pouring down her face, her body spasmed from the shock coursing through it. She could faintly hear Billy laughing, before he stopped the battery, leaving her to nearly vomit from the experience. She looked down, only to see Billy slap her pussy, causing her to let out a muffled moan.

“Damn, who knew you were such a slut, *Maxine* .” Billy said, taking the clamps, and attaching them to her pussy lips. Max cried, realizing there was nothing she could do, no one was coming to save her, not her mom, not Lucas, and certainly not El.

Billy turned on the battery, and soon after rammed his dick into her pussy. She came instantly, the pain and pleasure combined being too much for her to handle. He didn't stop thought, continuing to plow into her. He started slapping her breasts, leaving Max a drooling and twitching mess, closing in on another orgasm.

“Mmm!” She moaned, eyes rolling into the back of her head, and she felt Billy cum inside her, jamming himself to the hilt. He pulled out, watching her slip into blissful sleep, unaware his fun was only just beginning.

Billy would continue to use and abuse her body, fucking her mouth, pussy, and ass for most of the night, alternating between shocking her body, and whipping it. Max would wake up periodically through the night, each time Billy making sure to threaten and hurt her.

“You don’t tell ANYONE about this!” SHOCK! ORGASM!

“You don’t go hanging out with that Sinclair kid anymore!” WHIP!  
WHIP!

“I!’ SHOCK “DON’T!” WHIP “WANT!” SHOCK “YOU!” WHIP “NEAR!”  
SHOCK “ANYONE!!!” SHOCK SHOCK ORGASM ORGASM!

By morning, Max would lay in bed, completely unable to move. Her parents would be gone for a few more days, leaving Billy to continue having fun with her. Her mind was completely shattered, her entire being belonged to Billy now, she didn’t care for her friends or boyfriend anymore, all that mattered was pleasing her big brother.

That was her job, as his little sister...
